

OUR COMMUNITY, OUR COMMITMENT

WHAT TO EXPECT AT BONANNO CONCEPTS

PROOF OF VACCINATION

Vaccine cards, a photo of your card & the MyColorado app are all accepted forms of proof along with additional ID. (So we can make sure it's you!).

KIDS UNDER 12 CAN REMAIN MASKED

Children not yet able to be vaccinated must remain masked in our spaces. Masks will not be required for children under 2.

DINING ROOMS AND PATIOS

As a fully vaccinated staff, we ask that all guests be vaccinated too, whether enjoying our dining rooms or our patios. We are happy to accommodate others with online & phone to-go orders.

PATIENCE & FLEXIBILITY

This is new for us too! We take cues from local, state & federal officials as well as CDC guidance when creating our policies. We have decided to require vaccination record cards on site because it is currently the best and easiest way for our staff and guests to look out for one another.
